The date next to your child's name is the date the materials from home are due. Please have your child fill out the poster. They can draw pictures, pick some photographs and send in a few small items that are mementos or objects that your child wants to share with their classmates. Please do not send in anything valuable. Parents or relatives are welcome to come in that week to read 2 books to the class. Please email me to set up a time to read to the class. :) Let me know if you have any questions.
